If you are committed to a service term with KansasNet, make sure that you consult your agreement before filling out this form. Filling out this form establishes that you wish to cancel service, and accept any penalty fines that may be in your agreement.

KansasNet requires at 20-day notice for all auto-debit cancellations and for services for which charges are invoiced directly via U.S. Mail. Please print, fill out, and return the cancellation form 20-days prior to the first day of the next activation period. There are NO REFUNDS to subscribers who provide notice to cancel services for an activation period, in which services have already been billed/invoiced. The current account period will continue, but we will cease billing and charging you for future periods. If you would like to know your discontinuation date, please state so when canceling. Our Billing Department will notify you of this information by email only.
